ANNOUNCEMENT

With the raise in the number of COVID-19 cases in the community, we advise all our customers to prioritize in using our contactless digital channels and our e-banking services to submit applications and perform transactions respectively.

Additionally, in order to minimize service disruptions, we have made arrangements for our staff to work in shifts and will allow customers into our customer areas based on the availability of waiting spaces as per the guidelines of HPA.

We apologize for any inconvenience and delays that may be caused due to these measures.

Thank You
